Analytical Laboratory Services, Inc. Announces Acquisition by ALS Laboratory Group

Middletown, Pennsylvania – Analytical Laboratory Services, Inc. (ALSI) of Middletown, Pennsylvania, announced that it has been acquired by ALS Laboratory Group, a unit of the publicly traded Australian corporation, Campbell Brothers Limited. ALSI is one of the twenty largest environmental testing laboratories in the United States, and is a full provider of superior lab services to municipal, industrial and engineering clients in the northeast region of the country.

ALSI President Michael Farlling commented on the acquisition. “We are very pleased to announce that we are joining ALS Laboratory Group, as a key component of their platform for expansion and growth in the northeastern United States, and we look forward to continuing to provide our customers with the same level of superior and dependable services that they have come to expect from ALSI.”

“After consistently growing our business over the past twenty years, we are now excited to join the expanding ALS family,” said Farlling. “ALS Laboratory Group’s financial resources, operating systems, and strong reputation will help us continue to provide superior services, and to expand our services to a broader array of customers, and at a faster pace.” All of the ALSI management team will remain in place under the new ownership, and Farlling commented that customers are not likely to see any changes in the day to day operations of the laboratory.

Raj Naran, ALS Environmental, Vice President – Europe and North America, states: “The expertise, reputation and service excellence that ALSI has developed compliments and broadens our existing USA based business. In the future, we plan to further expand our market reach in the USA by providing clients with access to the combined services of ALSI and ALS in a larger number of locations and a broader base of capabilities.”

The terms of the transaction were not publicly disclosed. Steve Maxwell of Tech*KNOWLEDGE*y Strategic Group, Boulder, Colorado initiated this transaction and served as advisor to ALSI.

About ALS Laboratory Group

ALS Laboratory Group is the U.S. laboratory services group of Australian Laboratory Services, a unit of Campbell Brothers Limited, and by most measures, the largest environmental testing firm in the world. With extensive environmental, mineral and other analytical service businesses spanning the globe, the ALS Group overall has revenues approaching \$750 million (U.S.) and is the most rapidly growing environmental testing firm in North America.
